

How to transform your staircase?

Can't get enough wallpaper?

Stay tuned, because the latest way to reinvent a boring staircase is to add a graphic wallpaper pattern to your stair risers. It's a quick, simple, and Economical way to transform a lifeless staircase into a chic Focal point with conversation - starting interest.

Keep the look modern and minimal by using the same pattern or colour scheme on each stair. For a more fun and vibrant feel, choose a theme (like floral) and use varying colours that follow suit. Whatever your look, select a peel-and-stick wallpaper that's easy to wipe clean.
